

“The mission of **The Kurt B. Seydow Dystonia Foundation** is to promote education and awareness of Dystonia among the general public and medical community; to advance medical research to ultimately find a cure, and to support the Dystonia Community at large.”

Show your philanthropic commitment and investment publicly at the third annual “**Kites2Kure Dystonia**” event on Sunday, June 3<sup>rd</sup>, 2018 at Boom Island Park in Minneapolis. We invite you to be part of the event by flying your company’s kite(s) and wearing your own branded t-shirts. We expect a large turn out and are ready to provide the whole family with a valuable and memorable experience.

Your partnership is crucial to advance the mission of the **Kurt B. Seydow Dystonia Foundation** and the health and well-being of thousands of people living with Dystonia.

Thank you!

*Event updates and additional information to be available via email to sponsor.*
